

2019 Concord Girls Softball League Sponsor Form

Dear Valued Sponsor,

The Concord Girls Softball league is a non-profit organization that is focused on teaching girls in the Concord and surrounding communities the game of softball. The league objectives are

1. to develop each player's fundamentals to prepare them for higher level competition,
2. to educate them on the value of teamwork,
3. to build their confidence as young ladies, and
4. to have fun.

We have girls ranging from ages 4 to 15 in the league. In 2018, there were 300 girls enrolled in our league. The league is run by all volunteers who dedicate a considerable amount of time to make the league a success.

A very important part of making our league a success is getting local businesses to sponsor. We need sponsors in order to make the experience for the girls the best possible. In 2018, we were focused on making significant improvements in our equipment with a few minor upgrades to our fields. Our fields are 100% maintained by our league and they need some attention. We have 3 fields in the back of Hadden Elementary and 1 field on Ravenna Rd by the fire station. The CGSL appreciates your support. Below are sponsorship levels.
